

Composition for Artists – Materials

- Computer or digital tablet is best especially for homework.

If you work traditionally, you should get:

- Charcoal pencil and paper. Newsprint is fine.
- Regular pencil, black and white gouache, and a small round brush
- You can use bond paper to paint on
- Black pen (I use Onyx micro), any brand of medium gray marker, and a black brush pen (I use a Tombo pen)
- Ledger paper works best for markers
